EXPLANATION OF OUTCOMES

Proficient

- demonstrates thorough competence in the processes and skills, and a good understanding of the broad concepts associated with this outcome
- completes set tasks regularly and applies learning skills to new situations
- displays initiative and independent learning skills in various activities

Satisfactory

- understands the broad concepts and demonstrates competence in the processes and skills for this outcome
- completes most set tasks without assistance and generally applies learning to new situations
- displays initiative and independent learning skills in a range of activities

Developing

- demonstrates an acceptable level of development in this outcome when compared to other students at this stage
- with some guidance, completes most set tasks, gains basic competence in processes and skills and displays some initiative
- the student sometimes applies learning to new situations

Below Minimum Standard

- needs routine support and guidance to display achievement
- displays limited competence in the processes and skill for this outcome
- completes some of the set tasks
- has not met the outcome at this stage even though appropriate opportunities for learning and assessment have been provided
